To ensure that other clients have access to treatment, appointments must be cancelled 24 hours in advance or full payment for the service will be charged. If you are late for your appointment, you will receive the remainder of the allotted time and be charged in full. Thank you for respecting our time.

I understand there is a **24-hour cancellation policy** (i.e. 1 business day, *(not including the weekend)*) and agree to be responsible for payment for any scheduled session I do not attend if I have not given at least 24 hours notice. I understand that this does not apply to emergency situations, in which case I will give as much notice as possible.

Packages are transferable. If you request a refund, you will be refunded at the regular rate.
